Continuation of 5. does NOT place the application in condition for allowance because: applicant argues with the newly amended claims in non-entered after-final amendment (Paper No. 16) in traversing the 102 (e) rejection. The newly amended claims 15 and 19 raises issues that would reuqire further consideration; they appear to be identical in scope.

The previously allowed claims 19 and 33 depend on rejected claims, therefore the Office re-states that the claims are objected because the claims depends on rejected claims.
